Suspicious man in Warren Road: serious incident

In August, a parent from Holy Cross School reported she had exited Richmond Park via Ladderstile Road onto Kingston Hill at around 10.00am. She noticed a man standing at the crossing but did not take much notice of him. On crossing the road into Warren Road, he was walking behind her. The parent had her headphones on and did not hear the man approaching her. The man threw his coat over her head. He was approximately 1 - 2 metres away from her and as she turned around, he stood with his arms out. She threw the coat (a green cagoule type coat) on the ground and ran to her car. The man then must have ran off. He was in his 50's, of slim build, tall and with curly shoulder length hair.
