Malden & Coombe
Residents' Association Limited

Coombe Estate Residents, please be aware of the following scam that occurred the last week:

“We had a young man knock at our door saying his name is Tom, he lives on Edgecoombe Close and his mum has had a stroke. He said he had to get to hospital but hadn't any money and his car was in for MOT.

I ordered him an Uber to the hospital (St. Peters, Chertsey) and gave him £40 for a taxi back. He did not go to the hospital. The Uber trip ended near the Cambridge estate.

My daughter says he came back and knocked on the door. I am worried that he was checking to see if we were in.” *Resident, George Road*
